</table>

1. Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition, and tyre condition. This specification can be subject to a variance of (+ or -) 10%.
2. Tested in accordance with ANSI/RESNA, MC Vol2, Section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.
3. Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or -) 3%.
4. Battery weight may vary based on battery manufacturer.
5. Includes standard seat weight.

DISCLAIMER: The intended use of this Pride Mobility Products® Scooter is to provide mobility to persons with full use of their upper and lower extremities and who are able to support themselves in an upright position. This product is primarily for indoor use and the outdoor capabilities are limited to hard, flat, and even surfaces such as concrete, black top, and other similar surfaces. While we understand that the scooter’s outdoor capabilities are limited, when driving near uneven obstacles, follow the safety guidelines outlined within the safety section of this manual.

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tyre pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius, and ground clearance can be subject to variance of + or - 3 %. Special order seats or non-standard dimensions will not be fold-flat and depth-adjustable.

Lightweight design, effortless travel!

- Portable and easy to travel
- Supplemental foot brake
- Manual hand brake
- Digital LCD display
- Foldable tiller with adjustment knob
- Airline-safe lithium-ion battery pack

Available Colours

Arctic Ice
Raspberry

Note: Transport of this item on commercial aircraft is subject to federal regulations and airline policy. Please consult your airline prior to your flight to ensure your iRIDE™ and its lithium ion battery are permitted.
